

PARTNERING WITH PNG

Become a PowerNet Global Partner

Partnering with PowerNet Global is the key to unlocking your sales potential and providing your customers with superior services. Our solutions include unique pricing models that can increase your sales levels and expand your customer base.

PowerNet Global Partner Benefits

1. Dedicated Account Manager

PowerNet Global will assign a dedicated Account Manager to provide you with sales and technical support.

2. Sales and Technical Training

We conduct sales and technical training sessions to educate our partners on our solutions.

3. Sales & Marketing Tools

Our partners are supplied with marketing collateral and given access to our online portal that delivers fast and easy quoting.

4. Technical Support

With extensive experience in supporting some of the world's largest carriers, PowerNet Global takes pride in providing superior technical support to our customers and partners.

5. Competitive Pricing

We provide our partners with competitive and recurring compensation on packages that can be custom tailored to your customer.
