PowerConnect High Speed

A New Value In Dial-up Internet Access

PowerConnect High Speed™ is a premier service that provides unlimited monthly access to the Internet, keeping the conservative Internet business user connected to the world, local industry news, and their customers. With speeds up to 5 times faster* than standard dial-up, you'll get the most out of your Internet experience without paying for the high cost of DSL speeds that are unsuitable to your Internet needs.

When you choose PowerNet Global as your Internet Service Provider (ISP), you're never stuck without an answer. Our toll-free and online technical support is ready to assist you with any of your Internet connection questions Monday through Friday 24 hours a day and Saturday and Sunday 7am-11pm.
